End of life Product Notice

8th September 2025

Dear Customer,

Adder Technology is announcing the end of life of the following product due to component obsolescence.

The EOL product part numbers and recommended replacements are shown below:

EOL Part Number	Description	Suggested Replacement	Description
XD-522-DP-PAIR	High performance KVM extender with USB2.0, Display Port video & audio and RS232	ADDERLink XD600 Series	A range of 5 high performance KVM extenders with Full-Speed USB 2.0, Display Port Video, high-definition audio and RS232

For more information on the ADDERLink XD600 product range, please visit www.adder.com.

There is a limited amount of obsolete product stock available on a first come first served basis, noting that Adder is unable to guarantee supply of the exact quantities requested. Final orders should be submitted by Friday 26th September 2025.

All Adder products come with the standard two-year warranty and will be supported for up to 2 years following obsolescence.

Please contact your local Adder representative or your supplier for any further enquiries.

Best regards

Adder Technology
